Why does APHS have a uniform?

At Aberfoyle Park High School, our school uniform provides appropriate, modest, practical and safe clothing for the wide range of learning activities of all students.

The cost is minimal compared with the cost (both financial and social) of casual clothes. Our uniform assists in the development of school pride and assists in keeping our students safe within the school environment.

The APHS Uniform Policy was developed by the school community and is supported and endorsed by the school’s Governing Council, parents, staff and students.
